If you're passionate about volunteering and want to make a difference in your community, then being a volunteer at North Marion Adult Center is a great opportunity for you. Our senior citizens are a valuable part of our community, and they deserve to have a place where they can socialize, stay active, and learn new things.

Together, we can strengthen the bonds that hold our community together and make a meaningful difference in the lives of our neighbors.

Here are some positions available but not limited to:

- Volunteer Coordinator
- Activity Coordinator
- Activity Assistant
- Bingo Assistant
- Lunch Assistant

You may also apply by scanning the QR code below, fill out the application form and we will be in touch.

We would love to have you on our team!

Earth Day is an annual event that takes place on April 22nd to demonstrate support for environmental protection. On Earth Day, various activities and events are organized around the world to raise awareness about environmental issues such as pollution, deforestation, climate change, and conservation of natural resources.

In 2024, Earth Day will be celebrated with a focus on promoting sustainability, reducing carbon footprints, and advocating for policies that protect the environment. People may participate in activities like tree planting, beach cleanups, recycling drives, and educational campaigns to learn more about how they can contribute to a healthier planet.

It's a great opportunity for individuals, communities, and organizations to come together and make a positive impact on the environment, working towards a more sustainable and eco-friendly future.

Here are some local Celebrations!
